

Wouldn't it be great if..

- You could see your IP cameras and doors on a single interactive floorplan so ...
- You (and others) can click on a camera and see the live video and so ...
- You know which room, door, AP, and card reader are closest to the camera

IP Cameras + Floorplans=VCAAMS-S

**ALL THE INFORMATION YOU NEED APPEARING ON THE SAME
SCREEN ...TO HELP KEEP YOUR FACILITY SAFER**
